**CANADA'S LARGEST PUBLIC LEGO® EXHIBITION RETURNS!**

**BrickCan returns to the River Rock to host the fifth annual public event on April 22nd and 23rd, 2023**

Vancouver, BC – The BrickCan LEGO Exhibition, featuring hundreds of uniquely designed models built with LEGO bricks, is coming back to Richmond in April! After a three year break, we are excited to welcome public visitors back to the River Rock on April 22nd and 23rd. Brick fans of all ages are welcome to explore one-of-a-kind LEGO creations, meet builders from around the world, and shop with vendors for new and old LEGO sets, books, jewelry, artwork and so much more!

John Langrish, one of the BrickCan Foundation directors, says that they “have had overwhelming support from over 250 builders for our fifth show at the River Rock! They’ll be bringing hundreds of never before seen models and are looking forward to sharing their creations with everyone.”

Tickets for 2-hour sessions are now available for \$15 through Ticketmaster. Kids age 3 and under are free. For more information, please visit [www.BrickCan.com](http://www.BrickCan.com).

BrickCan has been described by past attendees as one of the “Must See” events of the year, and is perfect for family outings and special occasions. Please note that strollers and wagons are not permitted in the exhibit hall, due to space constraints. The exhibition hall is fully wheelchair accessible.

“Many of the time slots sell out well before the event, so be sure to get your tickets as soon as possible!” adds director John Langrish.

**About BrickCan Foundation**

BrickCan Foundation is a BC-registered non-profit society, formed in 2015 by a group of passionate Adult Fans Of LEGO, for the sole purpose of hosting and producing engaging LEGO-based events and activities in Canada for LEGO fans of all ages.

BrickCan is not affiliated with the LEGO Group. LEGO, and the LEGO logo, are trademarks of the LEGO® Group.
