BrickCan returns to the River Rock to host the sixth annual public event April 20-21, 2024

Vancouver, BC – The BrickCan LEGO Exhibition is returning to the River Rock in Richmond April 20th and 21st! Brick fans of all ages are welcome to explore hundreds of one-of-a-kind LEGO creations, meet builders from around the world, and shop with vendors for LEGO sets (new and old), minifigs, artwork, gifts, and so much more!

John Langrish, a director of the BrickCan Foundation, says that they “look forward to welcoming over 250 builders to the event with tons of amazing new models! It’s exciting because there is something for everyone and you never know what you may find.”

Tickets for 2-hour sessions are now available for \$16.50 through Ticketmaster. Kids age 3 and under are free. For more information, please visit www.BrickCan.com.

BrickCan has been described by past attendees as one of the “Must See” events of the year, and is perfect for family outings and special occasions. Please note that strollers and wagons are not permitted in the exhibit hall, due to space constraints. The exhibition hall is fully wheelchair accessible.
